MISSIONS

World Health Day (April 7) . . . To foster a more sustainable, compassionate and just world, good health and well-being for all is vital. Through PWS&D's maternal, newborn and child health projects in Malawi and Afghanistan, our church is helping women and babies access the care they need to survive childbirth and stay healthy. With her son Moses on her back, Rhoda Nyoni tends to a community vegetable garden in Malawi. Many mothers with young children now know the importance of cultivating fresh, healthy produce to feed their families because of nutrition education sessions offered through the program. Pregnant with her second child, Rhoda feels a sense of comfort and hopeful anticipation—she has the support and knowledge to embrace a healthy, hopeful future with her family.

PWS&D Helps Mothers And Babies Lead Healthy Lives.

THE HEIDELBERG CATECHISM

Q. #92 What does the Lord say in his law?
