MISSIONS

International Women's Day (March 8) . . . As we celebrate the achievements of women this International Women's Day, let us also reflect on the need to continue working for futures of hope and opportunity for women and girls around the world. In many countries, women do not have access to education or fair credit. They don't have control over decisions made about their health and well-being. Too often, this inequality prevents women from making a positive difference in their lives and empowering their families and communities. PWS&D is helping women claim their rights, access vital healthcare, learn about nutrition, develop vocational skills and achieve economic independence. Women's empowerment is critical to challenging poverty and building a more sustainable world.

GROWING

THE HEIDELBERG CATECHISM

Q. #92 What does the Lord say in his law?

A. A. God spoke all these words: "**The Second Commandment**" . . . You shall not make for yourself an idol in the form of anything in heaven above or on the earth beneath or in the waters below. You shall not bow down to them or worship them; for I, the Lord your God, am a jealous God, punishing the children for the sin of the fathers to the third and fourth generation of those who hate me, but showing love to a thousand generations of those who love me and keep my commandments.

Time of Preparation:

Before worship begins the chimes will be played and you are invited to spend that time quietly reflecting and preparing yourself for worship. By way of suggestion you can reflect on the meaning of worship and how God has called you to worship this morning.

What is Corporate Worship?

- Enjoyment of the fullness of God.
- Treasuring and finding satisfaction in Jesus.
- The glory of God experienced and expressed in thought, in emotion and through the whole body.
- Self-giving for God, fellow saints and community.
- Ministering & being ministered to.
- Spirit led and inspired.
- Directed in and by the truth.
- Mutual encouragement in Christ-likeness.
