## MISSIONS

**Easing Suffering In Bangladesh . . .** Since the outbreak of state-led violence against the Rohingya minority in Myanmar's Rakhine state, Safiri has been living in fear. Her husband was shot and her entire village burned to the ground. One night, fearing an attack by members of the army, she fled with her children across dangerous countryside to the Balukhai camp in Bangladesh. Their arrival brought new challenges—shelter conditions were miserable and food, water and sanitation services scarce. Safiri's story of suffering is hard to grasp, but her needs for survival are very real. PWS&D, alongside Canadian Foodgrains Bank and ACT Alliance, is helping Rohingya refugees like Safiri meet their basic needs and find hope that life will once again be normal.
